

## Featured Product: Utility Post

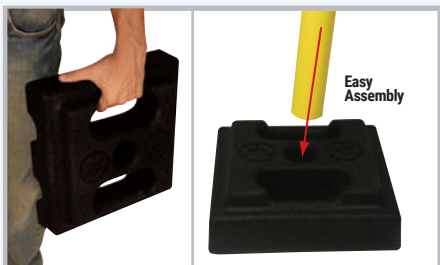

### Weatherproof construction that's built to withstand the toughest environments.

The Utility **RETRACTA-BELT®** features an outdoor-rated post that is constructed of fully weatherproof and UV-resistant materials. Two unique base options make the utility post ideal for any outdoor application. Posts are available in premium PVC or aluminum, and belts are available in 10' or 15' lengths.

**Entirely made of rust-proof materials:** plastic, aluminum and rubber are UV-rated for true outdoor use. Color won't fade, dry out or become brittle from the sun.

**Convenient carrying handle:** built into the base design for easy transport.

**Easy assembly:** simply press the post into base (twist to lock in plastic base).

**E-Z Back braking system:** creates the safest post on the market.

**Premium PVC or Aluminum post:** for durable yet lightweight use in harsh environments.

### Additional Features

- ▶ 10 year warranty
- ▶ All parts are easily replaceable
- ▶ Ships Knocked-Down

## Two Unique Base Designs to Suit Any Utility Application

### RECYCLED-RUBBER Base:

- ▶ Crush-proof rubber will withstand the harshest environments.
- ▶ Each base prevents one tire from being sent to landfills.

### PLASTIC-FILLABLE Base:

- ▶ Weighs only 2 lbs when empty for low shipping costs.
- ▶ Fills with sand or water to increase base weight up to 23 lbs.
- ▶ Easy to transport and store.

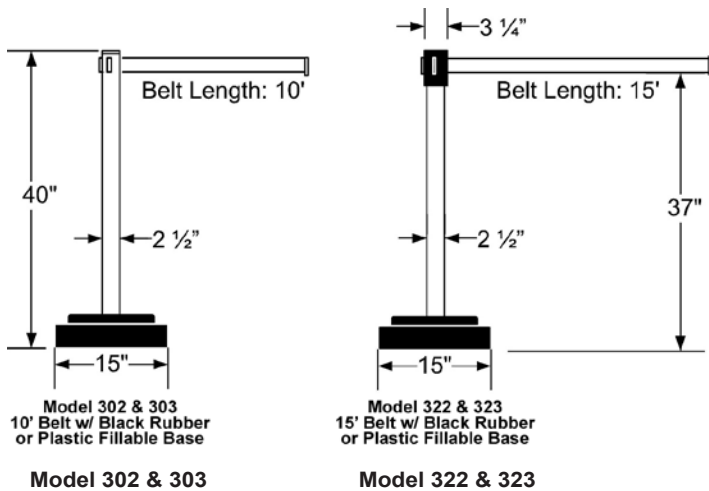

# Post Finishes & Belt Options
