

THE TAMIS CORPORATION

Vision Prime 100

Retractable Belt Stanchion

CEMENT BASE | MODEL VT-100/VT-101

PRIME Value Without Compromise

The Vision PRIME VT-100 Stanchion with G5 RETRACTA-BELT® technology delivers reliable performance at a budget-friendly price, making it an excellent choice for cost-conscious businesses.

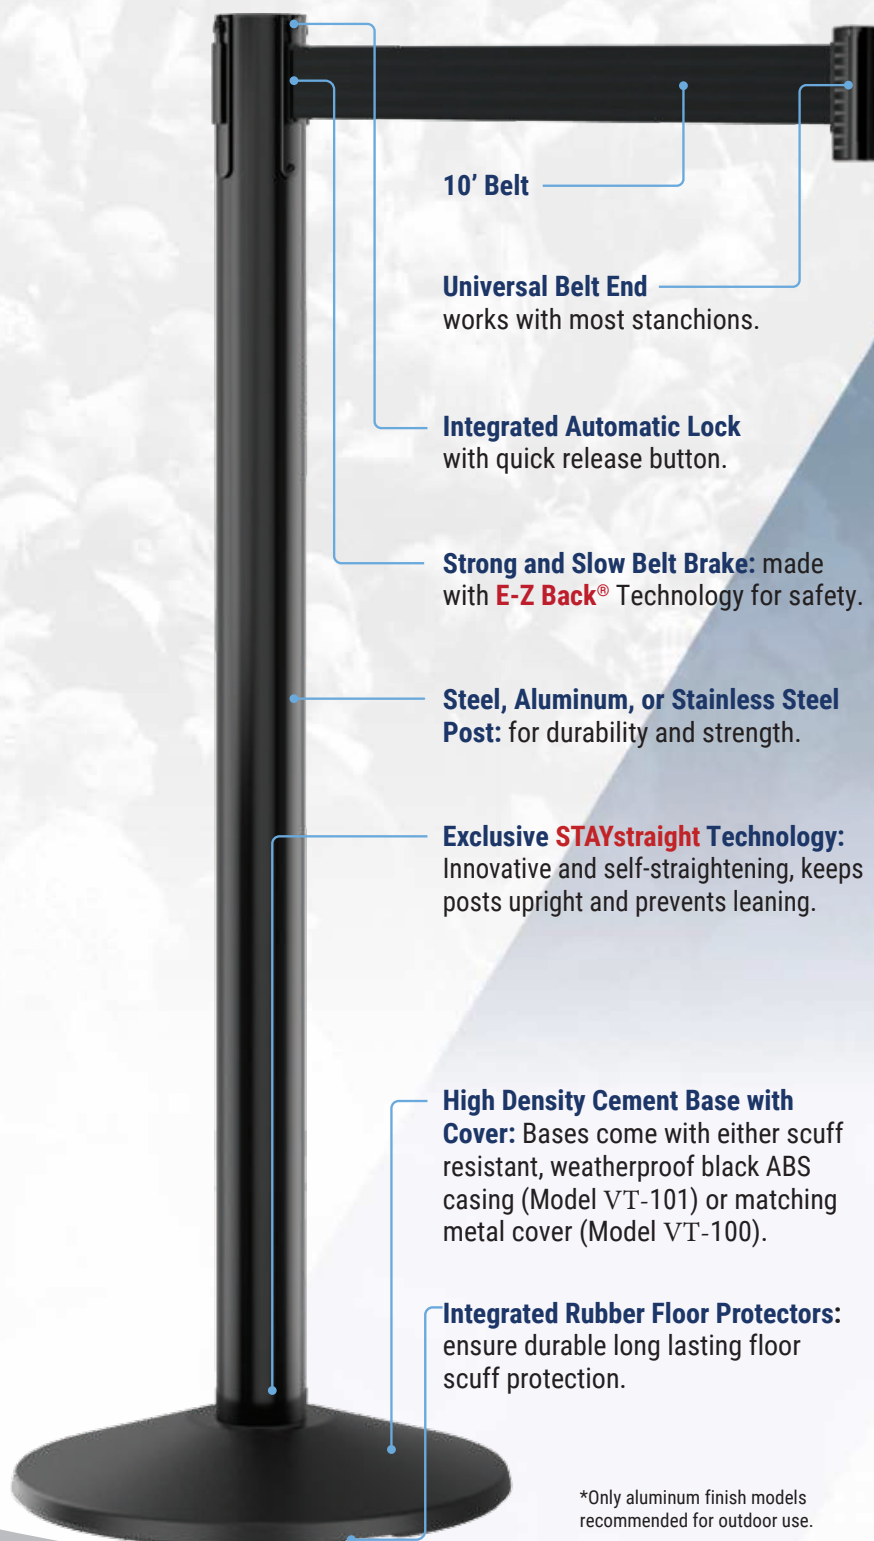

Offered in a wide selection of finishes and belt colors, the VT-100 Series enhances any environment while providing clear direction and efficient queue management. Its weighted cement base features integrated STAYstraight® technology for superior stability, making it ideal for medium-traffic areas.

A smart blend of value, durability, and everyday functionality.

Features:

- **Compact Shipping:** 2 posts per box.
- **Ships Knocked-Down:** saves on freight.
- **Easy Assembly:** no tools required
- **Easily Attach Signs and Accessories** with universal adapter cones.

10' Belt

Universal Belt End

works with most stanchions.

Integrated Automatic Lock

with quick release button.

Strong and Slow Belt Brake: made with **E-Z Back®** Technology for safety.

Steel, Aluminum, or Stainless Steel Post: for durability and strength.

Exclusive STAYstraight Technology: Innovative and self-straightening, keeps posts upright and prevents leaning.

High Density Cement Base with Cover: Bases come with either scuff resistant, weatherproof black ABS casing (Model VT-101) or matching metal cover (Model VT-100).

Integrated Rubber Floor Protectors: ensure durable long lasting floor scuff protection.

*Only aluminum finish models recommended for outdoor use.
